## Declaration of Conformity

**Product name and type:** Metal Air Valve( EFF TFF EFFC TFFC), Back Draught Shutter (RSK), Aluminum grille(IGC)

### Producer:

Company Name: Systemparts Hardware Corporation Ltd  
Address: QianJiaAo 80# Ditang Yuyao Ningbo China

### Description and determination of the product:

Metal Valve is suitable for use in mechanical ventilation systems in houses, offices etc. The valve can be installed on a ceiling or a wall. Connection sizes 80mm,100mm,125mm,150mm,160mm,200mm 250mm Made of steel sheet. Standard color RAL 9010.

Back Draught Shutter also called pressure relief valve, is used for preventing the reverse of air-flow in circular duct systems The casing is made from galvanized steel , the blades are made of aluminum, spring is made from 304 stainless steel. The blade opens when over pressure happens and closes by means of spring when pressure releases

Aluminum Grille is die-casted from aluminum, with blasted surface, used as external louvers and covering grilles in air supply and exhaust. It is equipped with openings with animal/bird screen (pitch 8mm in 304 stainless steel wire). It is also available in coated version

### Materials:

Steel parts: Hot-dip zinc-coated steel sheet and strip DX51D

Cold-rolled steel sheet and strip SPCC

Rubber parts: EPDM-rubber

Foam parts: EVA

Cast Aluminum: ADC12

Painting: powder paint: polyester/epoxy (polyester 30 %, epoxy 30%, other 40%)

### Used Standards:

EN 10142 EN 10130 EN1506

The producer announce in accordance with law of constructional products, that  
**product is in conformity**

with stated technical and law instructions. This declaration of conformity is published by the producer on his own responsibility
